

#### CRITERION III - RESEARCH, INNOVATIONS AND EXTENSION

#### 3.2 Innovation Ecosystem

3.2.2 Number of workshops/seminars/conferences including on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship conducted during the last five years

3.2.2.1. Total number of workshops/seminars/conferences including programs conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship year wise during last five years

#### Index for supporting documents for the year 2019-2020

| S. No. | Particulars   | Program   | Page No. |
|--------|---|---|----------|
| 1.     | Skill development program on quality control and analytical techniques  | Laboratory Research methodology and skills for life science and food science research | 1-9      |
| 2.     | Training program on <i>In-vitro</i> digestibility for formulation of feed                                     | Laboratory Research methodology   | 10-14    |
| 3.     | Industrial Hands-On Training on Skill<br>Development in Chromatography  | Laboratory Research methodology and skills for life science and food science research | 15-18    |
| 4.     | Seminar on Entrepreneurship opportunities in food and nutraceutical industry                                  | Entrepreneurship program  | 19-24    |
| 5.     | Workshop on Nutritional profiling of millets & fruits   | Laboratory Research<br>methodology for food science<br>research                       | 25-28    |
| 6.     | Webinar and virtual workshop on<br>Intellectual Property Rights and<br>Innovations                            | Intellectual property Rights  | 29-38    |
| 7.     | Webinar and Demo on The Fascinating World of Edible Mushrooms - with emphasis on entrepreneurship development | Entrepreneurship program  | 39-43    |

**WORKSHOP ON** 

# QUALITY CONTROL AND ANALYTICAL TECHNIQUES

3RD-5TH JULY 2019

09:30AM TO 04:30 PM

DR. SUDIPTA KUMAR MOHANTY HOD, DEPT OF BIOTECHNOLOGY, PIMS

MRS. SUBBALAKSHMI G ASSISTANT PROFESSOR, DEPT OF BIOCHEMISTRY, PIMS

MR. AKSHAY KUMAR
DEPT OF FOOD SCIENCE AND
NUTRITION, PIMS

**ORGANISED BY** 

#### QUALITY CONTROL AND ANALYTICAL TECHNIQUES

#### Organized by Padmashree Institute of Management and Sciences, Bangalore

| 03-07-2019 -05-07-2019   |
|--|
| Dr. Sudipta Kumar Mohanty, HOD, Dept of Biotechnology, PIMS          |
| Mrs. Subbalakshmi G, Assistant Professor, Dept of Biochemistry, PIMS |
| Mr. Akshay Kumar, Assistant Professor, Dept of Food Science, PIMS    |
| 18 students  |
| Workshop on Skill development  |
|  |

#### Program schedule

| Date       | Particulars                                  |  |
|------------|--|--|
| 03/07/2019 | Basic analytical techniques in food analysis |  |
| 04/07/2019 | Spectroscopic techniques                     |  |
| 05/07/2019 | Basic biochemical techniques                 |  |

#### Resource person/s

Name: Mrs. Subbalakshmi G.

Designation: Assistant Professor,

Affiliation: Padmashree Institute of Management and Sciences.

#### Certificate of the participants

#### **Program Summary**

Padmashree Institute of Management and Sciences (PIMS) organized a three-day workshop on quality control and analytical methods at Padmashree Campus from 3rd - 5th July 2019. The workshop was inaugurated by Dr. Anuradha, Principal, PIMS. Eighteen students participated in the workshop to learn laboratory method validation techniques. Dr. Sudipta Kumar Mohanty, Assistant Professor, PIMS, Mr. Akshay Kumar, Assistant Professor, PIMS, and Ms. Subbalakshmi G., Assistant Professor, PIMS were assigned to guide the students in the workshop. The participants acquired theoretical as well as practical knowledge about several analytical techniques during the training program. The students were trained in the analysis of food adulterants, identification of hardness of water, sensory evaluation, estimation of density, crude ash, moisture content, and pH of various food samples. The students gained experience of handling HPLC, spectrophotometer, cooling centrifuge, pH meter, muffle furnace, densitometer etc. As per the feedback received from the participants, the workshop was much useful for them to gain valuable knowledge and analytical skills in food validation techniques.

#### **Certificate of Participants**

"In-Vitro Digestibility for Formulation of Feed", held on 5th - 7th Nov, 2019 Organized by Padmashree Institute of Management and Sciences

Aus Shall Dr. M. Anuradha Principal

#### **Program Summary**

The training provided an opportunity for the students to apply the theory they have learned in class to real-world situations and develop their practical skills. The hands-on approach allowed the students to gain experience and confidence in using the pH stat method for in vitro digestibility studies. The trainers ensured that the students received quality training and guidance during the workshop. The workshop was a valuable learning experience for the students and will help them in their future careers in the field of biochemistry.

#### **Program Summary**

The seminar on Entrepreneurship Opportunities in Food and Nutraceutical Industry at Padmashree Institute of Management and Sciences was a successful event. It was organized in association with K-Tech and Biotechnology Skill Enhancement Program (BiSEP), Bengaluru on 24th January 2020. The seminar aimed to provide students with knowledge about research and entrepreneurship opportunities in the field of food and nutraceutical industry.

The speakers Dr. Prapulla S G, Dr. Usha Ravindra, Dr. Seema Tharanum, and Dr. Balasubramanya S gave insight about the nutraceutical industry. The speakers discussed various aspects of the food and nutraceutical industry including current research trends, opportunities for entrepreneurship, and food fortification. The talks were informative and thought-provoking, providing students with a better understanding of the subject.

Dr. Prapulla S G discussed ongoing research in the field of probiotics and prebiotics and provided students with insights into entrepreneurship opportunities in this field. Dr. Usha Ravindra spoke about food fortification and its importance in addressing hidden hunger. Dr. Seema Tharanum discussed the concepts of nutraceuticals and current research trends in this field, while Dr. Balasubramanya S encouraged students to choose research as a career for entrepreneurship opportunities in the field of life science.

In conclusion, the seminar provided students with valuable insights into the food and nutraceutical industry and helped them understand the various opportunities available for entrepreneurship and research.

#### **Program Summary**

The Padmashree Institute of Management and Sciences held a workshop on Nutritional Profiling in February 2020, attended by 23 students and Ph.D. scholars from Kuvempu University. The workshop focused on proximate analysis. Participants received both theoretical and practical knowledge on proximate analysis, including the measurement of protein, carbohydrates, fat, fiber, moisture, and ash, and learned about the principles and workings of the equipment used in the analysis.

#### Certificate for participants

#### **Program Summary**

On May 28th 2020, Padmashree Institute of Management and Sciences, Bangalore organized a webinar on "Intellectual Property Rights" in association with Karnataka State Council for Science & Technology (KSCST). The webinar was attended by faculty members, students, research scholars, and industry professionals. The session started with introductory remarks on IPR by the principal of PIMS, Dr. Anuradha M. Mr. H. Hemanth Kumar from KSCST spoke about KSCST's role in supporting technologies and its activities. Mr. Nagarjun, a Project Associate from KSCST, gave a brief on the different types of IPR. The first technical session focused on the concept, identification, and creation of Intellectual Property and covered the basics of patent, trademark, GI, and designs, and their importance in increasing business competitiveness and enforcement of IP in India. Ms. Brinda Verma, an Advocate and Patent Attorney spoke about the three important principles of IPR and different types of IPR. The session was concluded with a quiz on IPR basics and provided an opportunity for attendees to clarify their doubts on IP.

#### **Program Summary**

of Man

Bangalore-60

290

On May 30th 2020, Padmashree Institute of Management and Sciences organized a webinar on "The Fascinating World of Edible Mushrooms" using the Zoom platform at 10:00 AM. The webinar was led by Dr. Meera Pandey, Dr. Anuradha M, and Mrs. Ashwini M. The focus of the webinar was on the economic benefits of mushroom technology and entrepreneurship opportunities using simple mushroom technologies. The participants learned about the medicinal and nutraceutical benefits of edible mushrooms and received a virtual demonstration on how to grow mushrooms at home.
