Dear Dr. M. Anuradha,

SUB: Letter of Consent

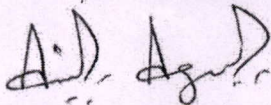

We take this opportunity to appreciate the efforts taken by your institute to bridge the gap between industry and academia through “Biotechnology Finishing School” program.

In this connection, we would like to accept your invitation to be part of the program which is renamed as Biotechnology Skill Enhancement Program (BiSEP), supported by S&T, IT, BT, Government of Karnataka. We will be happy to get involved in framing or vetting the syllabus, sending our scientists for guest talks, interacting with you to develop or modify the course program and provide internship/ project/ job opportunities for candidates doing the said course. Please consider this as initial Letter of Consent and Expression of Interest to be part of the program offered by your institute. Further, we will discuss and agree upon the terms and conditions mutually and enter into MOU/ Secrecy Agreement.

We congratulate you for having proposed a good concept and we wish you all the success.

Thanking You,

Yours faithfully,

POORNAYURDHAMA: TWO DAY NATURE CAMP

14-12-2019 to 15-12-2019

The two-day camp was held on 14th and 15th of December and covered various topics related to lifestyle education and yoga. On the first day, there was a lecture and demonstration by an Ayurveda doctor, Dr. Murali. On the second day, the focus was on "Green Sunday" celebration, which included an environmental awareness program and the planting of medicinal and other plants. During this day, leaders from various foundations delivered speeches on how to reduce and reuse waste. The students from Padmashree Institute of Management and Sciences participated in planting trees and medicinal plants, as well as raising awareness among the public.

Program Summary

Poornayurdhama is an Ayurveda Centre, which serves both urban and rural communities by providing treatments for various general and chronic diseases. The centre has Ayurvedic expert doctors. In December 2019, Poornayurdhama and Padmashree Institute of Management and Sciences organized a two-day nature camp in partnership with Adanya Chethana and Vibhu Foundation.

Students from Padmashree Institute of Management and Sciences participated as volunteers, assisting as program coordinators in organizing the event. They actively participated in plantation program. The program was successfully concluded with a vote of thanks, where all organizers, teachers, and participants were thanked for their contributions.
