Dear Dr. Anuradha,	
This is in reference to the discussions we had on the subject today morning, as per the GoK & Bangalore University norms, Resma M.S had vaccinated end of last week to attend the University exams * & she have had being having fever and body temperatures due to vaccine reactions and is unable to travel and attend the practical exams scheduled on 29,30 & 31st July 2021.	
I am writing this on behalf of Resma M.S to avail a special request of attending University practical exams after theory exams are completed considering the unprecedented health scenario our states and country is experiencing.

Dear Sir/Madam

I am writing to report an incident of mild ragging that occurred in the hostel of Padmashree Institute of Management and Sciences. While I understand that some amount of harmless teasing and fun is a part of the college experience, what we experienced was beyond the acceptable limits of good natured fun.

As a first-year B.Voc student, myself and a few of my fellow students were subjected to mild ragging by some of the senior students from Kerala in the hostel. This included being forced to perform certain tasks and being subjected to verbal taunts and teasing. While the behaviour was not physically harmful, it did make us feel uncomfortable and intimidated.

We request you to take necessary action regarding this

Sincerely

B. Voc I semester Students

Dear Madam,

I am writing to report an incident of ragging that occurred near the complex of Padmashree Institute of Management & Sciences. As an I<sup>st</sup> yr BSc CND student, I, along with few of my classmates were subjected to ragging by final year PG students of the CND course.

The incident involved the final year PG students forcing us to pay their eatables while we were on our way to the campus. The behaviour exhibited by the final year PG students left us feeling vulnerable and uncomfortable.

Thank you for your attention to this matter

Sincerely

BSc CND 1<sup>st</sup> Sem
