Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

Students in certain programs may be required to complete a series of technical writing workshops to progress into the second semester of study.

Students must follow their prescribed program map and follow the academic schedule. Deferrals will not be approved.
