Program Summary

The 2020 Indian Independence Day celebrations were marked by impressive stage decoration, with the national flag hoisted at the centre of the venue. The chief guest's speech highlighted the importance of freedom and its role in shaping India's identity. The changing scenarios in society were also emphasized, particularly the need for unity and diversity in a rapidly evolving world.

The program was hosted by Padmashree Institute of Management and Science in blended mode. Patriotic songs in different languages were sung by students and teachers, adding to the festive mood. Students gave speeches on topics related to independence and the significance of the day.

Management & Sciences

Program Summary

In 2020, Padmashree Institute of Management and Sciences celebrated Ganesh Chaturthi while adhering to COVID-19 protocols such as social distancing and limited gathering. The event was attended by a small group of individuals comprising students and faculty members, who participated in the community pooja, sang devotional songs, and offered prayers for vidya buddhi.

Despite the limitations imposed by the pandemic, the participants showed great enthusiasm and commitment to the rituals and prayers. The focus on praying for education and knowledge was still an essential aspect of the celebration, reflecting the institute's commitment to academic excellence despite the unprecedented situation.

The celebration was conducted with strict adherence to COVID-19 norms and protocols, including social distancing and sanitization measures. Despite the challenges, the event provided an opportunity to bring the community together in a spirit of devotion and celebration while ensuring the safety and well-being of everyone.

Program Summary

In 2020, Padmashree Institute of Management and Sciences celebrated Saraswathi pooja while taking necessary precautions to prevent the spread of Covid-19. The event was carried out with adherence to safety norms, such as the mandatory wearing of masks and social distancing. The celebration included the chanting of devotional songs.

Despite the challenges posed by the pandemic, the institute was able to carry out the traditional celebration while ensuring the safety of all participants. The event was conducted in a well-organized manner, with limited attendance to maintain social distancing protocols. The institute also ensured that hand sanitizers were available at the entrance and other necessary locations for the participants.

The Saraswathi pooja celebration provided an opportunity for the students and faculty members to come together and pay their respects to the goddess of knowledge. It was a moment of joy and positivity during a time when the world was facing unprecedented challenges. The institute took every measure to ensure that the event was conducted safely and responsibly while preserving the cultural significance of the Saraswathi pooja.

2	Insight on Youth day	9:45 AM
3	Speech by students	10:00 AM
4	Speech By chief guest	10:10 AM
5	Vote of thanks	10:30AM

Program Summary

The 2021 National Youth Day in India was celebrated on January 12th, which marks the birth anniversary of Swami Vivekananda, a renowned spiritual leader and philosopher. The theme for this year's celebration was "YUVAAH – Utsah Naye Bharat Ka," which translates to "Youth - the enthusiasm of New India."

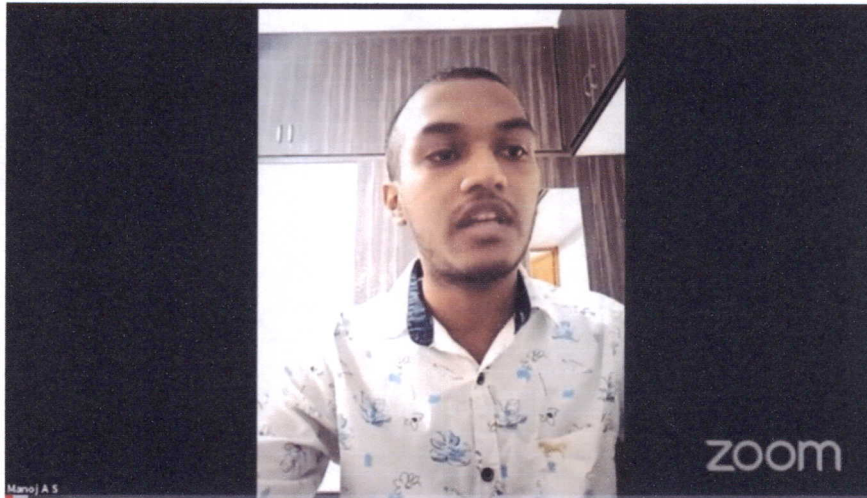

The celebrations aimed to empower and inspire the youth of India to take an active role in building a stronger and more prosperous nation. Various events and activities were organized including seminars, debates, cultural programs, and community service projects.

The cultural programs and seminars highlighted the importance of education, skill development, and entrepreneurship in enabling the youth to contribute to the country's development. Additionally, the day emphasized the need to address issues such as unemployment, poverty, and social inequality that affect the youth in India.

2	Invocation Song	08:40 AM
3	Flag hoisting	08:50 AM
4	National Anthem	09:00 AM
5	Sweet distribution	09.05 AM – 09.30AM

Program summary

In 2021, Padmashree Institute of Management and Sciences celebrated Republic Day in blended mode due to the COVID-19 pandemic. The limited gathering witnessed the hoisting of the national flag by the Chief Guest to mark the adoption of the Indian Constitution on January 26, 1950.

The cultural programs were performed by the students online, showcasing their cultural heritage and traditions from their homes. They performed dances, songs, and plays on themes such as national unity, diversity, and social issues, reflecting the rich cultural diversity of India.

The speeches by students were also conducted online, and they shared their thoughts and ideas on various topics related to the country's history, culture, and development. These speeches were thought-provoking and inspiring, promoting a sense of patriotism and national pride among the viewers.

Despite the unprecedented situation, the online Republic Day celebrations served as a reminder of the country's progress and potential for the future, and promoted a sense of national unity and pride among all Indians.

Program Schedule

S. No.	Program	Time
1	Welcome speech	6:00 PM
2	Principal Address	6:10 PM
3	Speech by Chief guest	6:15 PM – 6:45 PM
4	Speech by students	6:45 PM – 7:00 PM
5	Vote of thanks	7:00 PM

Program Summary

The theme for International Women's Day in 2021 was "Choose to Challenge," which aimed to encourage individuals to challenge gender bias and inequality in their personal and professional lives. The theme highlighted the idea that a challenged world is an alert world, and that we can all choose to challenge and call out gender bias and inequality.

The importance of International Women's Day in 2021 was to continue the global movement for gender equality and to highlight the ongoing challenges faced by women around the world. The COVID-19 pandemic has disproportionately affected women, who have faced increased caregiving responsibilities, job losses, and a surge in gender-based violence. International Women's Day was an opportunity to reflect on the impact of the pandemic on women and to call for action to address these issues.

Padmashree Institute of Management Sciences, due to COVID-19 organized the program in a virtual mode. Due to the COVID-19 pandemic, many of the traditional in-person celebrations for International Women's Day were either cancelled or moved online. However, there were still numerous virtual events and activities organized, including webinars, online panel discussions, and social media campaigns. Despite the challenges posed by the pandemic, International Women's Day in 2021 was still an important opportunity to reflect on the ongoing struggle for gender equality and to call for continued action to advance women's rights.
