The festivities are marked by a diverse range of events and activities, including the Pookkolam competition, where Padmashree Institute of Management and Sciences students create intricate and stunning floral arrangements.

The fancy dress competition, featuring characters from folklore and mythology with an Onam theme, is another highlight of the celebrations. Traditional songs and graceful dances also feature prominently in the festivities. Food is an integral aspect of Onam celebrations, with students taking pride in preparing and serving classic dishes such as avial, sambar, and payasam. The Onam food fest, organized by the students, is a popular attraction.

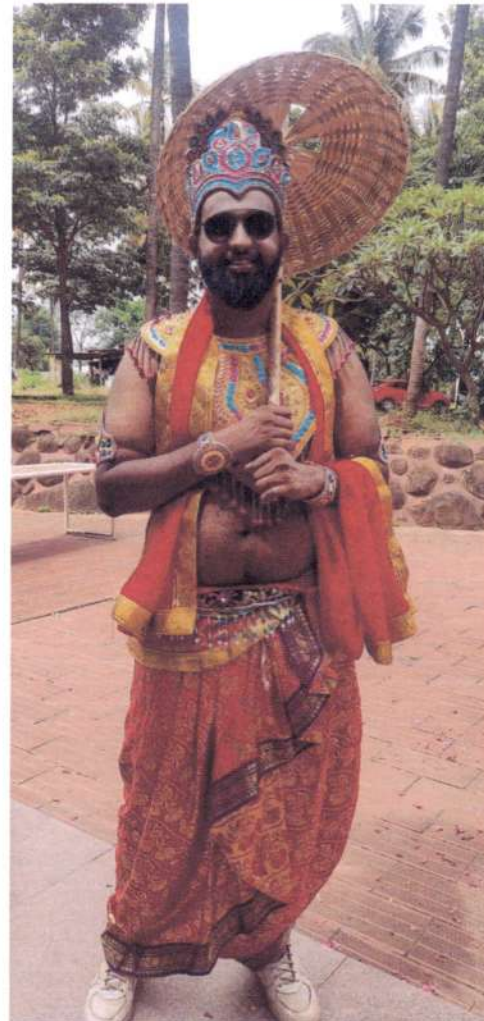

In addition, students dress up in Mahabali attire, highlighting various activities that showcase the state's cultural heritage. The Mahabali costume represents the Onam spirit of prosperity and harmony.
